Ruby Brown, Principal

Kathleen Vail, Asst. Principal

NOTES FROM NORTH

Kindness Bus

We hope that your child has shared with you the amazing experience we had with the visit from Mr. Bob, Bogart and the Kindness Bus this week.

Upcoming Field Trips

There are a number of upcoming field trips for all grade levels for the month of May. Please check the attached calendar and also, look for the information from your child's teacher to come home. We want to ensure that the necessary permission slips are completed and turned in on time so that every student is able to enjoy the learning experiences away from school.

May and June Calendar of Events

Please see the attached calendar which includes the myriad of activities and events scheduled for the end of the school year.

From the Principal's Office

After being out on medical leave for a few months, it has been wonderful returning to school this week. There has been a move across the country to address and help build awareness of the positive ways that being kind to others helps to enrich everyone's life. North Salisbury School has always demonstrated kindness in so many ways, however this year in particular, they have demonstrated their kindness over and beyond expectations. Every week during my absence, I received get well cards and posters from the students, and calls, texts, letters and emails from the staff members and parents. Everyone was so incredibly thoughtful and showed that they cared, all of which helped me feel better during my recovery.

We will be asking our students to continue to demonstrate kind acts towards others. Mrs. Wilkins has included in this newsletter, a calendar of Kindness Acts that we hope our students will show daily. In addition, we have an opportunity to show kindness towards students at a school in Lima, Peru, where a group of our local high school seniors will be traveling to this summer. The students are visiting Peru to provide humanitarian efforts in support of that community. We know that there will be an outpouring of materials coming from our students and staff based on our past support of organizations.

I am so grateful to work with such kind individuals and hope that you join me in thanking Dr. Vail and Mr. Collins for the outstanding job they did managing the school in my absence.

*Wishing you all a happy spring and summer,
Mrs. Brown*
