Kindness Counts

NSS Kindness Calendar

We will be asking our students to continue to demonstrate kind acts towards others. Mrs. Wilkins has included in last week's newsletter, a calendar of Kindness Acts that we hope our students will show daily.

School Supplies Donation

In addition, we have an opportunity to show kindness towards students at a school in Lima, Peru, where a group of our local high school seniors will be traveling to this summer. The students are visiting Peru to provide humanitarian efforts in support of that community. We know that there will be an outpouring of materials coming from our students and staff based on our past support of organizations.

Mrs. Wilkins asks that all school donations be brought to school by May 12.
